But when Jesus saw it, he was much displeased, and said unto them, Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God.

The Schmidts

Tom: I am grateful to have been raised in a Christian home and to have heard Biblical truths in my church and home all my life. It has taken many years for me to understand fully my total depravity and God's sovereign grace in my life; to convict me of my sin and need for complete dependence on Jesus Christ, my Lord and Savior. I thank God for His grace and mercy in my life daily.

Ginger: I came to the saving knowledge of Jesus Christ as my Redeemer, Lord and Savior at the age of nineteen. Having known Jesus as my best friend since the age of five; then trying to go it alone in my teen years, I finally came to the end of myself and recognized my sinful estate. I thank Jesus for saving my soul and forgiving my sins.

In 1985 the Lord placed a call on our lives to minister to the physical and spiritual needs of the people of Haiti, the poorest nation in the Western Hemisphere; teaching them the love, joy and peace of Christ. Now, since the Earthquake of 2010, the need is even greater! There are thousands of orphans and amputees on the streets of Haiti, wondering if they have a future and a hope. We desire to give them that future and hope in Jesus Christ! By God's grace and your help we can make a difference in the lives of some of these children!

What a privilege it is to serve our Lord and Savior in this way!
