Dear Friends and Faithful Supporters,

### **A Message of Faithfulness in a Changing World**

***"The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness." — Lamentations 3:22-23 (ESV)***

This year, Debbie and I have had the wonderful privilege of witnessing Spring unfold across several different landscapes. Each stop on our journey has served as a vivid reminder of God's faithfulness, beautifully manifested through His creation.

In a world increasingly shaped by the rapid-fire pace of artificial intelligence and ever-evolving technology, it can feel like the ground is shifting beneath our feet. I'll be the first to admit that I often struggle to keep pace with these modern shifts. Yet, when I look away from the screens and toward the trees, flowers, and plants God designed, I find a profound sense of peace.

While our high-tech world changes by the hour, God's creation remains constant:

- **Consistency:** Flowers bloom and trees bud exactly as God commanded them at the dawn of creation.
- **Beauty:** Nature faithfully shares its blessings with us, unaffected by the noise of human innovation.
- **Endurance:** The natural world reminds us that while man-made things are fleeting, God's design is enduring.

It is easy to feel overwhelmed by the complexity of today's technology, but we can take heart in the steadfastness of our Creator. Just as the sun rises and the seasons turn, His mercies are renewed for us every single morning.

As we move through this month, I encourage you to take a moment to step outside, breathe in the fresh air, and reflect on the quiet, unchanging faithfulness of the Lord. He has been our rock through the years, and He remains our constant in a changing world.

Thank you for standing with us. Because of your continued faithfulness and support, we are able to keep spreading the Gospel and strengthening our community of believers. It is a joy to labor alongside you in this mission.

With gratitude and faith,

*Rod & Debbie Wray*
