Physically & Spiritually Touching Lives

July 2, 2024

Dear Friends of Harvest,

After many years of serving with Harvest and ministering in Uganda, Dick and Barb Johnson have made the decision to retire. While we are sad to see them go, we are grateful to have had them be a part of Harvest for many years.

People often ask what motivates people to go and give to the work of missions. I recently spoke with Tom Schmidt who knows the Lloyd family well. They recently lost their son and daughter-in-law in a terrible gang attack in Haiti. The relationship we have with Jesus Christ and having the mind of Christ motivates us and even those who are willing to give their lives.

1 John 3:17 says, "But whoever has this world's goods, and sees his brother in need, and shuts up his heart from him, how does the love of God abide in Him?" For the most part, we are the ones who have the "world's goods", and therefore we have a mandate and responsibility given by God.

The latest information on all our missionaries and what they have been doing is available in our 2nd quarter newsletter which you can read at www.HarvestInternational.org.

Thank you for your continued financial support for the missionaries serving the Lord and for the ministry of Harvest International.

God bless you all,

Rod & Debbie Wray
