**Physically & Spiritually Touching Lives**

Dear Harvest Supporters,

As we continue to empty out the warehouse we are praying that God would show us His desire for the future ministry of Harvest and that we would accomplish all of His will and His plan for us at this time in History.

In John chapter 10 Jesus gives the example of Himself being the Shepherd and His followers being the sheep and in verse 4 He says; "and the sheep follow him for they know his voice". The sheep recognize the tone and texture of their master's voice. The sheep are specifically connected with their master by his voice and they will not follow another. This is our goal, to know and recognize the voice of Jesus and His guidance in our lives and then to obey when we hear His voice. In my own life, I have learned that in order to clearly recognize God's voice speaking, I need to spend more time in His Word and shut out the media and worldly influences that are all around.

The latest information on all our missionaries and what they have been doing is available in our 1st quarter newsletter which you can read at [www.harvestinternational.org](http://www.harvestinternational.org).

Thank you for your continued financial support for the missionaries that are serving the Lord and for the ministry of Harvest International.

God bless you all,

*Rod & Debbie Wray*
