

Harvest International, Inc.
Physically & Spiritually Touching Lives

June 4, 2026

Dear Friends and Faithful Supporters,

We are grateful for the Lord's protection and care over our Harvest missionary, Austin Truelove, who spent most of the month of May ministering in Haiti and has now returned home safely.

Haiti continues to be an extremely challenging place for ministry—not only for missionaries but also for Haitian believers who are faithfully serving the Lord. Recently, our young men, Joseph, Berlyn, and Stanley, have faced significant threats, persecution, and opposition as they seek to share the Gospel of Jesus Christ with the children living in the slum communities. We would greatly appreciate your prayers for God's protection, wisdom, and guidance in their lives and ministry.

We are increasingly aware that ministry without the physical presence of a missionary presents unique challenges, and that ministry led by indigenous Haitian believers is often very different from ministry directed by missionaries. Please pray that these young men, along with Sergo, our yard keeper, will remain united in purpose and spirit, and that they will continue to demonstrate integrity and faithfulness before the Lord, especially as ministry funds are entrusted to them.

We also ask for your prayers for us (Rod and Debbie), the Truelove family, and the other missionaries who are striving to continue ministering to and caring for the Haitian people from a distance. More than ever, we need the Lord's wisdom and direction so that we may serve effectively and be good stewards of all He has entrusted to us.

We are thankful for encouraging reports from all of our Harvest missionaries and for the Lord's continued work through their ministries.

Thank you for your faithful financial support of the missionaries serving the Lord and for your partnership with the ministry of Harvest International. Your prayers, generosity, and encouragement are a tremendous blessing as we seek to advance the Gospel and serve others in Christ's name.

With gratitude and faith,
Rod & Debbie Wray
