

Buckets of Love, Coolers of Compassion

Disaster Relief Projects of Harvest International, Inc.

Natural disasters occur all over the world. They can devastate the landscape and leave victims without basic necessities to survive.

We need your help as Harvest responds to Hurricane IAN.

Since October of 2016 Harvest has responded to disasters with our Buckets of Love/Coolers of Compassion projects. We have sent thousands of buckets/coolers filled with relief supplies to countries that have been devastated by hurricanes and other natural disasters. We were able to be a part of the relief efforts to Antigua, Bahamas, Dominica, Haiti, Houston Texas, Lake Charles Louisiana, Pensacola Florida, Puerto Rico, South Florida and Mexico Beach Florida.

Inside the bucket/cooler we send food, hygiene products and other survival items as they become available. These supplies have been very helpful to the people that receive them after having lost everything.

If you feel led to help with our Buckets of Love/Coolers of Compassion projects you can sponsor a bucket for \$75.00. This covers the cost of all the items plus shipping. Please keep us in your prayers as we work for the Lord helping those in need. God bless you.
