

Harvest International, Inc.
Physically & Spiritually Touching Lives

May 24, 2023

Dear Partner and friend:

I greet you in the Name of our Savior, Jesus Christ.
Thank you for your prayers and financial support of this ministry.

There is good news and there is challenging news.

The good news is that the Lord has enabled me to continue broadcasting the message of eternal life on multiple radio stations and on the additional platforms of: www.harvestinternational.org; Brick City Podcast (<https://player.fm/series/brick-city-podcasts>) and on social media platforms.

For those of you living in Central Florida, please note that Words of Inspiration is heard every weekday at 1:30 PM on The Shepherd, 720 on your AM radio dial. Please help by inviting friends to tune in.

Now, challenging news: For the first time we are on the verge of running out of money to meet our obligations. We need your help urgently.

The Navy coined and started using the phrase: "SOS." While we think it means Save our Ship or Save our Souls, there is no evidence that either of those meanings are valid. Understanding the meaning or not, its purpose is well known. It is a sign of distress. We are not declaring a sign of distress. We are exercising faith in our Lord and sharing our needs with you. I know I can count on your prayers. May I count on your generous financial fellowship in ministry at this time?

Some of you receiving this letter, are generously sharing. To you, I say again, Thank you.

REMEMBER, THIS IS URGENT

In the Ministry of the Master,

Audley McLean
