Physically & Spiritually Touching Lives

Dear Harvest Supporters,

Hebrews 6:10 tells us: “For God is not unjust to forget your work and labor of love which you have shown toward His name, in that you have ministered to the saints, and do minister.”

Recently, I was reminded of this verse while serving alongside Danny Thomas, former Harvest Director, at *His Compassion* food bank. Danny is still active, and each morning arrives early to pray over the workers, the volunteers, and the many people who will come through the doors to receive food. His quiet faithfulness is a living picture of Hebrews 6:10 – ministering to the saints as an outflow of his love for God.

As I watched Danny’s great example of someone who has fulfilled Hebrews 6:10, I was struck by the truth that love is more than words. God Himself showed us this when He took action. He not only said that He loved us, but He sent His beloved Son, Jesus Christ, to come and die on the cross so that we might be saved. His love was proven through sacrifice.

And so, we too are called to more than words. If we say we love God, our love must find expression through serving His people. Hebrews 6:10 reminds us that this labor of love does not go unnoticed by Him. Every prayer, every act of service, every moment given to minister to others is remembered and cherished by our just and faithful God.

May we each look for ways today to turn our works of love into actions of love – ministering to the saints in His name.
